

ASK Video - Cubase 5 tutorial Level 1 of 4 (Rus) -русскоязычный курс видеообучения

Производитель: ASK Video

Год выпуска: 2009

Язык: русский

Special Thank`s за перевод PeterWood !!!

In Level 1 of this 4 part series we're going to take you through everything you need to know to get started. We're going to start right at the beginning with setup, and taking a tour of the new interface. All the basics will be covered - plus we'll start to dig into some advanced features.

If you're new to Cubase or want some help getting accustomed to the latest version, than this DVD is perfect. It's also great for those advanced users out there that haven't loaded up a project in a while and need a refresher. This DVD is perfect for all Cubase users!! It's the next best thing to having the expert right there beside you.

With thousands of hours of seminar experience under his belt, Cubase Guru Steve Kostrey explains in an easy to follow style, how to get the most out of Cubase 5.

About Steve Kostrey: Product specialist and clinician at Steinberg Canada from 1995-2005, during which he has demonstrated every aspect and feature of Cubase at literally hundreds of clinics to thousands of users. Steve shares his wealth of knowledge and experience with you in this DVD.
